NSA review  
completed

STAT

Director of Data Processing  
Central Intelligence Agency  
Langley, VA

STAT

This letter confirms NSA's intention to acquire the Burroughs B7821 dual processor system that became available with the redirection of the joint CIA/DIA SAFE Project. NSA accepts the entire system, subject to no reimbursement costs. NSA will, however, bear the charges associated with deinstallation, packing, shipping, and reinstallation of the system.

I would like to thank you and the members of your staff for your cooperation and assistance in this matter.

Sincerely,

STAT

Deputy Director  
for  
Telecommunications and Computer Services
